

**MITTWOCHSVORTRAGSREIHE AM PSYCHOLOGISCHEN INSTITUT
DER UNIVERSITÄT SALZBURG
IN ZUSAMMENARBEIT MIT DER SALZBURGER GESELLSCHAFT FÜR PSYCHOLOGIE**

Vortrag am: 28.04.2004

Vortragender: Marketa Caravolas, University of Liverpool

Thema: The effects of orthographic consistency on the development of spelling skills

Studies of orthographic consistency effects on children's spelling development will be presented with an aim to identify how children's cognitive strategies interact with the statistical properties of the written language they are learning to write.
