CAREER (Curriculum Vitae)

Professional training:

SS 1964 – WS 1966/67	study of geology at the University of Saarland at Saarbrücken, Germany
SS 1967 – SS 1970	study of mineralogy at the University of Bonn, Germany
November 11 th , 1970	Diploma in Mineralogy / Crystallography at the Institute of Mineralogy, University of Bonn. Title of the thesis: "Investigations on Nitride Coatings on Iron"
January 1971 – September 1974	doctor dissertation at the Mineralogical Institute of the University of Saarland. Title of the thesis: "Crystal chemistry of Chromium bearing garnets"
September 6 th , 1974	graduation Dr. rer. nat. at the faculty of Science, University of Saarland
November 26 th , 1980	Habilitation for Mineralogy and Crystallography at the Department of Geosciences, University of Marburg, Germany Title of the thesis: "Mixed valence of Iron in minerals"

Professional career:

January 1971 – September 1974	research assistant, Mineralogical Institute of the University of Saarland, Saarbrücken, Germany
October 1974 – March 1985	scientific assistant, Institute of Mineralogy of the University of Marburg, Marburg, Germany
Meantime: November 1978 – November 1979	visiting associate at the Division of Geological and Planetary Sciences, California Institute of Technology, Pasadena, California, USA
April 1985 – September 2010	Professor of Mineralogy (chair), Institute of Mineralogy, University of Salzburg, Salzburg, Austria, since 2006 Department of Materials Research and Physics

Meantime:

October 1993 – December 1993	visiting associate at the Institute of Mineralogy, University of Marburg, Marburg, Germany
January 1994 – September 1994	visiting associate at the Division of Geological and Planetary Sciences, California Institute of Technology, Pasadena, California, USA
Since October 2010	Professor of Mineralogy (Emeritus), Department of Materials Research and Physics, University of Salzburg

Additional Offices:

October 1988 – September 1989	Vice Dean of the Faculty of Science of the University of Salzburg
October 1989 – September 1991	Dean of the Faculty of Science of the University of Salzburg
October 1991 – February 1998	Vice Dean of the Faculty of Science of the University of Salzburg
March 1998 – February 2004	Head of the Institute of Mineralogy of the University of Salzburg
January 2006 – September 2010	Chairman of the Department of Materials Research and Physics of the University of Salzburg
October 2007 – September 2010	Dean of the Faculty of Science of the University of Salzburg
January 2001 – December 2003	Chairman of the Section Crystallography, Physics and Chemistry of Minerals of the German Mineralogical Society DMG
October 2002 – December 2010	Chairman of the Commission “Physics of Minerals” of the International Mineralogical Association IMA

Awards and Scientific Honors:

20 th March 1975	Promotion Award of the Universität des Saarlandes, Saarbrücken, Germany
1978	Research Grant of the German Research Foundation October 1978 – October 1979
10th September 1980	Victor Moritz Goldschmidt Preis of the Deutsche Mineralogische Gesellschaft, Germany
1990	Elected Fellow to the Mineralogical Society of America, USA
20 January 1994	Fullbright Mutual Educational Exchange Grant February 1994 - September 1994
2008	Member of the Academy of Engineering Sciences of Serbia
8th May 2012	Ehrenzeichen of the Land Salzburg, Austria

Memberships:

Mineralogical Society of America (until 2005)
Deutsche Gesellschaft für Kristallographie DGK
Deutsche Gesellschaft für Kristallzüchtung und Kristallwachstum

Deutsche Mineralogische Gesellschaft DMG
Österreichische Mineralogische Gesellschaft
ÖMG
Gesellschaft Österreichischer Chemiker GÖCh

Languages:

German (native Language), English, French

Lectures and Talks:

Over 250 talks and poster presentations at national and international conferences. A list of abstracts can be provided upon request

Published Papers in Refereed Scientific Journals:

A list of about 150 publications can be provided upon request
