

## **CURRICULUM VITAE**

*Name:* **HERMANN**, Anton, Ph.D., Full Professor (ordentlicher Univ.-Prof.)

*Address:* Department „BioSciences“, University Salzburg  
Hellbrunnerstr. 34, A-5020 Salzburg, Austria  
e-mail: [anton.hermann@sbg.ac.at](mailto:anton.hermann@sbg.ac.at)

*Date of Birth:* October 20, 1945 in Munich/Germany

*1967-1972:* Studies of Chemistry and Biology at the Ludwigs-Maximilians-University (LMU), Munich, Germany

*1972:* National Board Examination in Chemistry and Biology

*1972-1976:* Thesis: Max-Planck-Institute of Psychiatry, Dept. Neurophysiology/ Munich, (with H.D. Lux)

*1976:* Ph.D., summa cum laude from the LMU/Munich

*1976-1979:* Research Associate: Boston University (BU) Medical School, Department of Physiology, Boston, MA, USA (with A.L.F. Gorman)

*1978:* Assistant Professor at BU School of Medicine

*1979-1983:* Assistant Professor at the University of Konstanz, Faculty of Biology (with W. Rathmayer)

*1982:* Venia legendi (Habilitation)

*1984-1986:* Heisenberg-award and fellowship at the University of California (UCLA) (with R. Eckert)

*1986-2014:* o. Univ. Professor of Animal-Physiology and Department Head, Division of "Cellular & Molecular Neurobiology" at the University of Salzburg/Austria

*1994-2002:* Head of the "Medical Research Coordination Center" University Salzburg

*Guest professors at:* UCLA, USA: 1985/86; Univ. Vienna, 1995-1997; MPI Biophysics/ Frankfurt, FRG, 1990; Stazione Zoologica, Italy, 1998; Univ. Pecs/Hungary, 2000; NIEHS, Research Triangle, NC, USA, 2000, 2004; Univ. Cairo, Egypt, 2007/2008; since 2006 visiting Prof. Univ. at Kazan Federal University/Russia and cooperating scientist at University of Tripolis, Dept. Med. Chemistry.

*1998/99:* President of the "Austrian Neuroscience Association" (ANA)

*Since 2014* Emeritus
