

Suggested supervisors for dissertation

As main supervisor of the doctoral thesis of Ms/Mr

Last name, First name(s), academic degree(s)

registration number

(working) title of doctoral thesis

I suggest the following **3 - 4 professors with habilitation / venia legendi (among these, not more than one internal reviewer)** as possible reviewers - **contact information** (postal- and e-mail address, website, etc.) is enclosed.

Co-authors of dissertation-based papers from the phd-student **are not allowed to** act as external reviewers, with the exception of the main supervisor.

Based on our experience, it is advantageous to inform the suggested reviewers before entering them on this form.

3.

4.

Date

Signature and name of main supervisor

Important information:

This form is a decision support for the Dean. According to § 24/6 of the Statute of the University of Salzburg, 1st part Study Law, University Bulletin No. 50 of 5th January 2021 the dissertation is to be assessed by two reviewers within a 2-month-deadline. The involvement of external reviewers is obligatory. Only one person of the supervisory team can be considered as a reviewer.
