10) As the last step of the recognition procedure: please click on "**Print request**" in the upper left corner under "**Operations**"

The PDF document "List of Requested Recognitions" will open. This document is regarded as an application and must be signed and submitted to the chairperson of the respective curricular commission with the corresponding performance records.

If approved by the respective chairperson of the Curricular Commission, the application will be forwarded to the Legal Department, where the final notification of recognition will be issued.

Your notification of recognition will then only be sent electronically to your student e-mail address (firstname.lastname@stud.sbg.ac.at).

If you wish to have the decision entered in PLUSonline as soon as possible (usually within two working days at the latest), you can submit an appeal in writing to bescheid@plus.ac.at after the notification has been delivered (for more information, please refer to the e-mail sent to you with the notification). The notification of recognition is available for you in PLUSonline under "**Transcripts – Transcripts of Record**" (other names include: "Confirmations of Achievement", "FLAG-Studienerfolgsnachweis (Confirmation regarding Family Allowance Act)"....)
