Course catalogue: Conditions for incoming students:	We mainly accept all nominated students, but for Schools like Medicine, Conservation (Architecture), etc. with laboratory or clinical work, sometimes there are no available places for all students. The	
Language requirements	same applies to students of 3rd cycle and thesis work. Candidates are not required to provide an official certificatestating the Italian language knowledge. Students are strongly suggested to have no less than an intermediate level of Italian	
Academic Calendar	to make the most of their stay and make daily life in Rome easier and more enjoyable. The academic year at Sapienza officially starts on October 1st and ends on October 31stof the following year (https://www.uniromat.li/li/pagina/calendario-dellanno-accademic.o). However,the teaching schedule varies from faculty to faculty:students are strongly suggested to request the specific academic calendar to the administrative office of their receiving faculty (https://www.uniroma1.it/li/pagina/referenti-amministrativi-erasmus-di-facolta-raef). Examinations are usually held in winter (January and February), summer (June and July), and autumn (September and October).	
Enrolment in Italian language courses	Sapienza University facilitates students in the language learning process by offering one Italian language course (free of charge) to each Erasmus candidate. In order to enrol in Sapienza Italian language courses, incoming Erasmus students have to fill in the proper section of the on-line application form within the application deadlines. Further information will be sent to students directly from Sapienza Language Centre. Later inscriptions to Italian language courses will not be accepted. Please, note that Sapienza University also organizes intensive language courses before the beginning of each semester, to support students in the learning processupon arrival. Intensive courses are strongly recommended to students with a lower level of Italian knowledge.	
International Exchange Student Guide	https://www.uniroma1.it/sites/default/files/field file allegati/international student guide 3.pdf Students will receive, by e-mail, a login code to the on-line application form.	
Online Application form	The application page will be active for one month: students, therefore, will have 30 days to fill in their on line application form. After saving and printing the on-line application form, a registration number ("matricola") is generated: this number will be completely active once students arrive in Rome and register at the Erasmus Office of their receiving Faculty (https://www.uniroma1.it/en/pagina/referenti-amministrativi-erasmus-di-facolta-raeef).
