## 6. Nearby Towns and Alternatives

Due to high demand in Salzburg, you might consider looking in surrounding areas that are well connected by public transport:

- **Freilassing:** A town just across the border in Germany, very close to Salzburg.
  - **Bergheim:** A village just outside Salzburg, easily accessible.
  - **Oberndorf:** A town within 30 minutes of Salzburg with excellent train/bus connections.
  - **Kuchl:** Well connected by bus, another viable option for daily commuting.
