

YOUNG INVESTIGATORS AWARD

APPLICATION

To apply for the YIA, candidates must submit an abstract of up to 600 words (incl. a maximum of five references) as well as their curriculum vitae and, if already completed, the dissertation, existing chapters or completed papers from it. The topic of the abstract must be part of the dissertation (at the PLUS) of the first author.

Submissions will only be accepted if they meet the following criteria:

- Valid registration for a doctoral programme with approved research proposal at the PLUS or completion of a doctoral programme at the PLUS in the past year (define date).
- Completion or expected completion of the doctoral programme within the maximum of twice the scheduled study period. The jury may allow a submission if the deadline is exceeded for good reason.
- To apply for the YIA, candidates must submit an abstract of up to 600 words (incl. a maximum of five references) as well as their curriculum vitae and, if already completed, the dissertation, existing chapters or completed papers from it.
- Submissions can be made in English or German.
- Prize winners from previous years cannot take part.

Please submit the application to: doktorat@plus.ac.at. **Deadline for submission:** 18 July 2025. To learn more about the YIA (evaluation criteria, procedure ...) see: www.plus.ac.at/doctorate-school-plus/yia-young-investigators-award-en-de/.
