## INTERNATIONAL AND EUROPEAN ECONOMIC LAW

### COMBINATION SUBJECT (14 ECTS)

A thematic specialization with an international focus in European Economy Law.  
This combination subject is entirely taught in English.

The main seminar course includes an optional excursion offering a unique opportunity to get acquainted with the main EU Institutions.

In the specialized courses, you will either take an excursion to Vienna, examine case law studies or follow lectures from experts and practitioners.

## SEMINAR OFFER

### Mandatory Seminar (5 ECTS)

#### EUROPEAN LAW IN PRACTICE

Current issues of EU affairs, optional study trip to the most important institutions of the EU in Luxembourg and Brussels

### Optional specialized seminars (minimum 9 ECTS)

#### EUROPEAN LAW IN NATIONAL AND EU INSTITUTIONS

Seminar course focused on actual practice within EU institutions and bodies through guest lecture(s) by practitioners and a visit to the Fundamental Rights Agency in Vienna

#### EUROPEAN ECONOMIC LAW

Selected topics of the Internal Market

#### EUROPEAN COMPETITION LAW

Overview and Selected Cases on Cartel Law, Abuse of a dominant position, Merger Control, State Aid and SGEI, Digital markers, DMA

#### EUROPEAN LAW IN REAL LIFE

First-hand insights into EU practice with expert guest lectures and visits to key political institutions in Vienna
