

## Salzburg & Food

While Salzburg offers some excellent high-end restaurants and cafés, we would like to give you some rather student budget friendly alternatives.

For those who speak German, <http://mittag.salzburg-altstadt.at> offers a helpful overview over daily lunch menus in the city center.

### **Mensa (law school cafeteria)**

*Churfürststraße 1 (courtyard of the main building)*

(!) Please note that the cafeteria usually caters to university employees and our students only, and has a limited supply. Therefore we cannot guarantee that there will be enough meals for everybody, especially if you come in large groups.
